Dear Pastor and Church

Greetings in the name of our Lord Jesus Christ! We are very grateful to our God for his mercy and care in these difficult times. In mid-January my children, my in-laws and I had Covid; thank God we recovered but unfortunately my mother-in-law passed and now she is in haven with His Lord. Thank God for Peace, the consolation and the hope that we can have on Him. We are very grateful because God has allowed us to continue preaching his word and little by little the churches are returning to their regular activities. In Alianza Real they had a special Evangelistic service and God worked in the hearts of the members and people who attended for the first time. They also had a special service for Youth and thank God for seeing the Church full of them. In El Calvario we have also had beautiful services and we especially enjoyed seeing the children who were saved there and are now young people involved in special activities for the edification of the Church, such as a Christmas painting in which they participated. Please continue to pray for the work that is being done here for Pastors Luis Cuellar, Alejandro Morales, Edgar Mata and their families and very especially for us that the Lord continue to give us strength to move forward and be able to continue with the construction in the Mission The Friar.

On the other hand we are grateful because God provided through a friend couple so that we could renew our visas, but due to the pandemic the American Consulate gave us a date for May of next year, Lastly, as always we appreciate your prayers and your faithful support to our ministry which is a great blessing, may God really richly bless you is our prayer.

Your missionaries who love you
