Sending Church: New Life Baptist Church, Chiang Mai, Thailand

March/April 2022

Dear Friends,

Thank you for all your prayers and support. The ministry here is going well and I am delighted to report that people are responding to the preaching of God's Word.

In the above picture you can see the young people that attend Sunday morning service. Sam, a friend from Nattacha's A-level course, has just started coming and has lots of questions about the faith. Like all students here, he's heard nothing other than evolution, and seemed fascinated with creationism. The young Nigerian in the 'New York City' sweater is a solid Christian, and faithfully brings his friends from the same school. He's asking prayers for spiritual discernment and a clear understanding for direction in his life that would glorify God. We have a lady, Susanna, who has been with us for a few months, a Christian (but she was never taught about full immersion baptism). I am delighted she is willing to be baptized in line with New Testament teaching. Please pray that a venue will be found, preferably locally so that our people can attend. What a great witness it will be for them! Angelica and Elizabeth make up our Sunday School group. Please pray for Angelica's mum, Meena, who has a Catholic background, but has started coming to our Wednesday evening service and is showing real interest.

It is a blessing to be involved in the lives of these people, and everyone else who is connected to the ministry, and to have a role in helping them understand the Word of God and the Gospel of Jesus Christ. Prayers would be appreciated for our Easter Lunch Outreach event on the 9th of April. This is open to people that attend our regular tea and coffee mornings, as well as those that attend church services.

The family are doing well. Mai would appreciate a bit of prayer support as he takes driving lessons to for his test this summer. He seems to be growing in confidence and took on some big roundabouts last week. Good for him. Nat and Elizabeth are both doing well with their studies. Linda is preparing for her citizenship test (though we don't know yet when it will be).

Thank you, everyone, for your support and prayers that make this ministry possible.

Kind regards

Tom (Tel. 0771 2669785 / brittentobritain@gmail.com)
