Church Planters in Belarus

February 2022

Dear Pastor and Congregation,

We are thankful for each one of you who prays for us and supports us financially. Without your support we could not do the Lord's work in Belarus. We pray that God will bless your faithfulness. We are working on several things in the coming year, but we want to thank the Lord for all he has done this past year.

God's Faithfulness Was On Display Throughout 2021

First, the Lord brought us back to Belarus despite numerous challengers due to Covid 19 and protests in Belarus. We were disappointed when our six-month furlough was extended to over a year, but everything is done in God's timing.

We were able to restart the English school after being closed for a year and a half due to Covid 19. We had a good semester, and some students visited our Bible study. One man told me that he is looking for answers from God after seeing everything that transpired in 2020 and 2021. I am going to give him private English lessons. Please for opportunities to witness to him. I'm withholding his name for security reasons, but please do pray for this man.

Our church, by God's grace, continues to overcome the challenges that every church is currently experiencing. We were able to have two 3-day mini VBS sessions. We also had visitors for our "Harvest Day" and "Christmas Celebration". Please pray for these folks to visit again and that they will get saved.

Geopolitical Pressures

You've probably heard about the tense situation between our neighbors in Ukraine and Russia. Russia is trying to flex its muscles everywhere in the region, but Ukraine is currently ground zero. Belarus and Russia have conducted joint military operations on Ukraine's border with Belarus and have built up troops on the Russian-Ukrainian border as well. Tensions are high, but so far there has been a lot of posturing but nothing more.

Many have contacted us to ask if we are safe. We are safe here in Minsk. The current regional conflict has set people on edge, but thus far there are no security issues in Belarus. Please continue to pray that God would use these circumstances here to turn people to Him.
