Church Planting and Leader Training

Dear Pastor and Prayer Partner,

We praise the Lord for all He did in 2021 and we are off and running in 2022, we saw two more people saved this past Sunday!

Church Anniversaries

We are getting ready to celebrate anniversaries in all three churches. We will celebrate 1 year in Vision Baptist Church this coming Sunday! We celebrate 5 years in Living Water Baptist church in April and New Life Baptist Church is turning 8 years old in May!

This is very exciting to see each church growing and taking steps! We are also excited about the church in Cuba as it goes forward for the Lord! We are currently needing around 600 dollars to help them build a simple structure for their church services. Let us know if you would like to give towards that need in Cuba!

Marriage Retreat

We are so very happy with how God blessed the Marriage Retreat this past month! We had a total of 16 couples from the three church plants

March, 2022

attend the retreat. We are already planning another time for this coming August, and we hope to do this every 6 months between the 3 churches. We thank God for the blessing that each couple received, and we are seeing fruit from that time!

Summer Trips

Our summer is full with different groups that will be coming to visit! We love this because we know that more people will see the great need for the Gospel in our city and country! Please contact us today about a missions trip in 2022 or 2023!

Thank you again for praying and supporting the ministry! God sure is good!
