Dear Supporting Pastors and Friends,

Greetings from Dipolog, Mindanao. Bible school is coming to the ending of a school year. The owner of the house that we have lived in since 2009 has returned to Dipolog. Also, with Bro. Rice's plan to move the Bible college to a mission work in Molave soon and with our Philippines visa being processed for renewal it is almost time to return to the States for our furlough.

The first thing on our agenda is to attend our granddaughter's high school graduation in OKC, and spend time with family there. The second thing is to take care of our medical check-ups. We are 73 years old and feel great, but at our age we know that we need to make sure everything is ok. The third thing, assuming everything is ok, is to contact our supporting churches and friends and start traveling. During our travels we will be attending our grandson's wedding in October.

In the last 2 years we have had 2 families called to be missionaries. One out of Westside Baptist Church, the Tolero family to Thailand; the second one from Salug Valley Baptist Church in Molave, the Pansing family going to Cambodia. Both are on deputation. We have also had another American missionary come to this area to start a work. In this year there is a plan for one of the staff members in Molave to start a new church here on the Zamboanga Peninsula. Our

Pastor, Anecito Calibuhan, and one of the present staff will begin surveying the Sindangan area, just to the west of us, in view of starting a mission there also. With growth; comes new issues to encounter, new problems to solve and new challenges to meet, and an increase in financial needs. Please pray for the future ministries, the finances, and staff workers of Westside Baptist Church and Salug Valley Baptist Churches as they spread their wings and reach out to win more souls for Christ.

We praise the Lord for His continued work in the hearts of men in spite of us. His marvelous, sustaining, abounding grace has allowed us to serve Him here on the island of Mindanao. "O Lord, how great are thy works!" (Psm. 92:5) We serve a great God. ".....marvelous are thy works....."(Psm 139:14) We are blessed beyond words to serve the Lord here in the Philippines.

Thank you for your faithful prayer and financial support through the years. May God bless you richly for your generosity.

Yours for Souls,
Dan and Beth
