July 2, 2022

Dear Family and Friends,

Thank you for your faithful prayers for our family and the ministry here. We just finished up a very busy and fruitful week with the team of medical volunteers from Medical-Missions Outreach. With the help of these medical volunteers and our local church volunteers we are able to host a clinic to provide medical and optical consultations, and meet the needs of more than 2200 people. With the many physical

needs that we see, it is very rewarding being able to help with medicine and glasses. The most important part and the even more rewarding part is that all 2200 people were given the gospel and

137 made professions of faith in Jesus as their personal Savior, praise the Lord! One of our volunteers who helped in evangelism is a national pastor of a young church plant near us. He made the comment that he had never been part of an evangelistic outreach like this, but that, "It was great fishing in a good fishing hole." It truly was a great week of ministry, and we are praying for fruit that will remain as a result of the many seeds that were planted.

Thank you also for your prayers for us in regards to Blake's diabetes management. Both Cori and I were able to serve in the clinic and Blake did really well as we made adjustments via phone. We are so thankful for how he is growing in the self treatment that is now part of his everyday life. Thank you again for your love and prayers.

From Honduras,

Nate and Cori, with Mykenzie, Grant, Blake and Savanna

Prayer & Praise:

1. Continued spiritual growth in the church family.
2. For wisdom as we grow in our understanding of Type 1 diabetes, and how to best help Blake.
3. Praise the Lord for the 137 souls who trusted Christ as a result of the medical clinic last week.
4. Pray for the continued working of the Holy Spirit with all those who heard the gospel.
