Dear Friends in Christ,

We had a good Holiday Bible Club (Vacation Bible School). Jonathan Reid, a former CEF worker, came back to take the meetings. He always has a good relationship with the kids. He used the story of Daniel to encourage the children, that have trusted Christ, to live for the Lord. The gospel was presented each day. The boys and girls had a great time. We are very thankful for the people of the church that were involved in working with the children.

We had two families join the church, Ian and Louise Milliken and Ian and Kerry Courtney. Both families have four children. Ian Milliken does our audio and DVD recordings. Ian Courtney helps with the music. He plays the piano. Louise and Kerry help teach one of the Sunday school classes. They also help with the Children's Talk. Both families are a blessing to the church. Pray that others will follow their example.

The Baptist Association were able to have Bible camps this year. Most of the children attending our church were able to attend for the week. Ian and Kerry from our church ran one of the camps. They know of one child that was saved. The children are looking forward to going to camp next year.

We praise the Lord for the salvation of two of our Sunday School children. Joseph and Eve are both ten years old. Pray that we will see them growing in the Lord.

We have had some more new people starting to attend the church. Nigel and Karen Woodside were encouraged to come to the church by Alan McClure. They are a nice couple and seem to enjoy the services. Richard and Ellen Robinson are the most recent to start attending. Richard knocked on our door, he had been told about us by a mutual friend. He was trying to organize a support group in our area, due to the uncertain time in which we live. While talking with him, we learned that he is saved and that he and Ellen recently came to believe the rapture of the church happens before the Tribulation Period. He was glad to learn that is what we believe. We went up to their home that evening to meet Ellen and the children. The Pretribulation Rapture view is a minority position in Northern Ireland. They were looking for a church that emphasizes doctrine and started to attend.

Thank you so much for your continued prayers and support. We appreciate you all and need your prayers.

Yours in Christ,

Ed + Joan Bissett
