Veteran Missionaries to the US Military

July 2022

Dear Co-laborers in Christ,

As we pause this month to celebrate the birthday of our country, we are once again reminded of the price so many of our men and women in uniform have paid for the freedoms we enjoy. This summer marks 38 years that we have ministered to the US Military. Thank you for your prayers and financial support to help us reach our military with the gospel.

"Passing the Mantle" Service

It was our joy to "pass the mantle" on to the Rob Kitchen family as they take the leadership of Grace Baptist Church in Germany. There was a wonderful spirit in the church and an excitement about what the future holds for this military church. Grace is located just 5 minutes outside of the west gate of Ramstein Air Force Base. Ramstein is the hub for the U.S. Air Force in Europe. The Kaiserslautern military community is home to more than 50,000 military personnel and their dependents.

Building

The building that God opened up for us was in need of much renovation. Extensive work has been done to upgrade the facility. A 3-man team from Hillcrest Baptist Church in El Paso, TX came in May to install a sound system and build a new platform including a front wall with a baptistry installation. Much work has been and continues to be done to enhance the property.

The Next Step

We have returned stateside and will be available to promote military missions in stateside churches and to fill in as needed for overseas military ministries. We hope to report to our supporting churches during this time. Please contact us if you desire to have us come to your church.

Yours for military souls,  
Gary and Karen Craft
